STAT Subj: RECORD OF PERFORMANCE, [REDACTED] CENTRAL INTELLI-  
GENCE AGENCY

1. The curriculum of the Naval War College (NWC) comprises courses in Strategy and Policy, National Security Decision Making, Operations and an Electives Program. Graduates have studied the broad spectrum of disciplines required to command naval, joint and combined forces in combat and to assume positions of highest responsibility in Navy, Combined, Unified and Joint Staffs, the Department of Defense and the executive levels of government. The rigorous curriculum focuses on the maritime strategy and defense issues, develops perspective, sharpens analytic skill, and stimulates original thought.

STAT 2. During the reporting period [REDACTED] contributions and achievements were:

- a. Served as class vice president.
- b. Served as seminar leader for two trimesters.
- c. Served as member of holiday ball planning committee.
- d. Participated in athletic activities as a member of the class tennis and basketball teams.
- e. Assumed major role in the President's Challenge Cup competition as tennis coordinator.

STAT 3. [REDACTED] graduated, achieving a thorough knowledge of all material in the major areas of study. He demonstrated the potential to assume positions of increased responsibility.
